Uzbek workers in Israel now

- Legal support and rights protection
- Integration programs and training

Flight Growth

After October 7 events

Before October 7

1 flight/week

Minimal frequency

Currently

5 flights/week

Serving 20,000 workers

Growth Driver

Due to restrictions on Palestinian workers' access to workplaces in Israel, there is an urgent need for workforce replacement. Uzbek workers are actively filling this gap due to their professionalism and reliability.

GROWTH FORECAST

More flights needed

Government Support

Israeli government allocated additional quotas in transportation, construction, and service sectors

Projected Growth

Expected growth of Uzbek workers to 100,000+ people, which will require a multiple increase in flight frequency

Key Advantage for Partners

Current: 20,000+ workers served by 5 flights/week

Future: Growth to 100,000+ workers will create **stable and scalable demand** for air transport Israel ↔ Uzbekistan
